

MONEY

MATTERS

Does money seem to just slip through your fingers?

Noticing that things seem to cost more each day?

Struggling to bring down your debt?

**Tuesday afternoons,
starting on 19th June
12.45 – 2.45pm**

Positive Cycle are offering FREE training sessions, to help you to stretch your money further, shop wisely, and even plan ahead. It will also be an opportunity to share your own money-saving tips with others like you.

Classes will be led by an experienced tutor from City of Bristol College, who will bring their own experience and knowledge but will also be able to respond to your particular needs.

There will be a FREE crèche for pre-school children, and refreshments will be available.
